

Proposal for 2013 AGRODEP Membership Changes

AGRODEP Management Team

July 2013

The AGRODEP Management Team regularly undertakes a review of members' activities and adherence to AGRODEP's goals and submits a report to the Steering Committee (SC). This report includes recommendations for membership withdrawal or reclassification, accompanied by detailed justification for such recommendations. The final decision will rest with the SC.

Proposal for Membership Withdrawal

The 2010 members listed below have not been active with AGRODEP during the past two years (cf. annexed AGRODEP Membership Activity Reports for 2011 and 2012). The AMT proposes withdrawal of AGRODEP membership.

Mr.	Mabugu	Ramos	Member (2010)	South Africa
Mr.	Maro	Festo	Member (2010)	Tanzania

Proposal for Membership Re-classification
